

MANUFACTURER CERTIFICATION ACCORDING TO PUR-FOOD-AS FDA

Manufacturer certification of NORRES PUR FOOD-AS FDA hoses regarding suitability for applications in the food sector

Polyurethane hoses of the NORRES PUR FOOD-AS FDA series, which are made from special, particularly high-quality raw materials, are perfectly suited for many applications in the food sector. This product series includes the following hose types, with transparent, not colored wall:

- AIRDUC® PUR 350 FOOD-AS in variation 0000

The properties of the basic material used for the hose wall include the following:

- **Compliance with FDA** (US Food and Drug Administration) regulations:
The raw materials and additives used (except for stabilizers) are listed in the FDA CFR Title 21 § 177.2600 "Rubber articles intended for repeated use" dated April 1, 2010. The antioxidants and stabilizers used are listed in § 178.2010 "Antioxidants and/or stabilizers for polymers".

To realize the antistatic properties, we add an additive to the basic material with the following properties:

- **FDA-Compliance** (Food and Drug Administration) regulations:
The used ingredients are comply with the following regulations of the US Food and Drug Administration (US-FDA) - FCN (Food Contact Notification)
 - 21 CFR §177.1680
 - 21 CFR §177.2600Foodstuff: allowed food stuff type in conformance to §176-170(c), table 1, VIII und IX
Temperatures: allowed by temperatures in conformance to § 176.170(c), Tabelle2, E, F und G

Our quality management system is certified according to DIN/ISO 9001.
